This interrogatory includes a request to identify any documents or tangible things you intend to rely on at trial which have not been, or will not be, produced in response to any Request for Production propounded on you or any other party by Defendants.

RESPONSE:

REQUESTS FOR PRODUCTION

- 1. Please produce all documents and tangible things relating to any request by any Plaintiff in the Federal Action, or any party in the State Action, to any Governmental Body in Texas, to produce Public Information, relating to any election or demographic data from 2005 to the Present. R. Civ. P. 45 (a)(4).
- 3. Please produce all documents and tangible things provided to any potential expert in the State Action, to the extent not otherwise encompassed by any other Request for Production to you.
- 4. Please produce all documents and tangible things provided to any potential expert in the Federal Action, to the extent not otherwise encompassed by any other Request for Production to you.
- 5. Please produce all documents and tangible things that you intend to present as evidence at trial, to the extent not otherwise encompassed by any other Request for Production to you.

Please identify and describe in detail all facts that support your claim that SB 14, as enacted by the State of Texas' 82nd Legislature, was enacted with a discriminatory purpose and intent. This interrogatory includes a request to identify any documents or tangible things you intend to rely on at trial which have not been, or will not be, produced in response to any Request for Production propounded on you or any other party by Defendants.

RESPONSE:

REQUESTS FOR PRODUCTION

- 1. Please produce all documents and tangible things relating to any request by any Plaintiff in the Federal Action, or any party in the State Action, to any Governmental Body in Texas, to produce Public Information, relating to any election or demographic data from 2005 to the Present. This request includes, but is not limited to, both any request to produce Public Information propounded to a Governmental Body and any response and/or documents and tangible things received from the Governmental Body in response to any request to produce Public Information.
- 2. Please produce all documents and tangible things relating to any subpoena served pursuant to Fed. R. Civ. P. 45, in the Federal Action, on any municipality or county in the state of Texas or on any other entity or individual, which were not previously provided to Defendants. This request includes, but is not limited to, a request for both the subpoena served and any response and/or documents and tangible things produced in response to that subpoena. Defendants' request for the production of these documents and tangible things does not waive any rights or remedies they may have due to the failure of any Plaintiff in the Federal Action to provide notice to Defendants of any such subpoena before its service on the subpoenaed entity or individual, as required by Fed. R. Civ. P. 45 (a)(4).
- 3. Please produce all documents and tangible things provided to any potential expert in the State Action, to the extent not otherwise encompassed by any other Request for Production to you.
- 4. Please produce all documents and tangible things provided to any potential expert in the Federal Action, to the extent not otherwise encompassed by any other Request for Production to you.
- 5. Please produce all documents and tangible things that you intend to present as evidence at trial, to the extent not otherwise encompassed by any other Request for Production to you.

The term "plaintiff" or "defendant" as well as a party's full or abbreviated name or a pronoun referring to a party, means the party and, when applicable, his agents, representatives, officers, directors, employees, partners, corporate parent, subsidiaries, or affiliates. This definition is not intended to impose a discovery obligation on any person who is not a party to the litigation.
- 2. <u>Document.</u> The term "document" means information that is fixed in a tangible medium, such as paper, or electronically stored information. It includes,

but is not limited to, writings, drawings, films, charts, photographs, notices, memoranda, diaries, minutes, correspondence, books, journals, ledgers, reports, worksheets, notes, printed e-mails, letters, abstracts, audits, charts, checks, diagrams, drafts, instructions, lists, logs, resumes, and summaries.

However, where SB14 is quoted from an allegation in the Federal Complaint, the term "SB 14" has the meaning ascribed to it in the Federal Complaint.
- 5. And & or. The connectives "and" and "or" should be construed either conjunctively or disjunctively as necessary to bring within the scope of the discovery request all responses that might otherwise be construed to be outside its scope.
